

Pawsitive Puppy Class:

Obedience training is fundamental for anyone looking to have a well-mannered pet. With our techniques, you can be sure that your dog will behave wonderfully, both in and out of the home.

With basic obedience, you'll learn how to [teach your dog:](#)

- **To sit**
- **To lie down**
- **Intro. to the Recall (come command)**
- **To sit and stay**
- **To lie down and stay**
- **Loose-lead walking**
- **Potty-training**
- **Nipping, play biting**
- **Crate-training**
- **Attention-seeking behaviours (barking, jumping, pawing, whining...)**

Learning these commands with your dog will help you form positive behavioural patterns that last a lifetime. True to our philosophy, you can choose what you need, so you only learn what is relevant to you and your dog! sit
